# Gopher Tortoise Rules and Regulations

Gopher tortoises are a threatened wildlife species and are protected by state law, chapter 68A-27, Florida Administrative Code. Gopher tortoises must be relocated before any land clearing or development takes place, and property owners must obtain permits from the Florida Fish and Wildlife Conservation Commission before they can move them. For more information about permitting guidelines or the laws protecting gopher tortoises please contact the gopher tortoise biologist in your region.

It is against the law to kill, harass or destroy gopher tortoises, their eggs or burrows. If you suspect a wildlife law violation, report it to the FWC's Wildlife Alert Reward Program at 888-404-FWCC, 24 hours a day or online. You could be eligible for a reward if your information leads to an arrest.

1. **POCKET GOPHER TRAPS:** These traps may be purchased at the Ranch Hand store located at 21029 Cortez Blvd **(352) 796-4186**. Our office has informational data sheets on pocket gophers if you desire a copy. Please do not confuse pocket gophers (rodent family) with gopher turtles because they both make a sand mound.
