

One Day Per Week Watering Remains in Effect for Hernando County

The Hernando County Utilities Department wants to remind residents that Hernando County remains on the one-day-per-week watering restriction schedule, pursuant to Hernando County Ordinance 2010-15.

As a reminder, the one-day-per-week schedule is as follows:

Address ending with: May water on:

0 or 1	MONDAY
2 or 3	TUESDAY
4 or 5	WEDNESDAY
6 or 7	THURSDAY
8 or 9 **	FRIDAY

Water before 8 a.m. or after 6 p.m. on your day.

** Areas where there is no address or multiple addresses (such as common ground areas or shopping plazas with multiple addresses) water on Friday.

Some Hernando County homeowners associations (HOAs) have a variance to this watering schedule. If you live in an HOA, please check with organization or property manager for your specific schedule.

Except for the days/times for lawn watering, Hernando County's restrictions are the same as the Southwest Florida Water Management District. For example, car washing and pressure washing can be done at any time. This information may be viewed at <http://www.swfwmd.state.fl.us/conservation/restrictions/swfwmd.php>.

We appreciate your continued adherence to the one-day-per-week watering schedule.

Please contact Code Enforcement at (352) 754-4056 or the Utilities Department at (352) 754-4037 or email waterconservation@hernandocounty.us for more information about Hernando County's watering restrictions.
